Scholarship Regulations

1. Requests for scholarship may be made only by registered AWM students.
2. The studies subsidized will be those with a sponsor-worthy goal. There should be a clear connection to the actual or future ministry and the course must be in the future – starting after 31st of July 2021 (already completed courses cannot be subsidized).
3. The request must be submitted with the following documents: a tabled CV and a written substantiation of the credibility, sustainability, and persuasiveness of the project or study goal (max. 2 sides in length). The application shall be made up of three parts: information about yourself; information about your (planned) ministry; relationship of the course to (planned) ministry.
4. Requests submitted by May 31st 2021 can be considered in the allocation of the scholarship for the next academic year. Decision on the allocation of scholarship on all requests submitted by May 31st will be made by the scholarship committee at the latest by July 31st. The applicant will receive written notice of scholarship allocation (following this decision). Payment of the scholarship takes the form of a credit note which will be applied to the next course's bill – not later than the end of the academic year 2021/2022.
5. The committee's decision is final. There is no legal claim to a scholarship.
